## **RULES ,REGULATIONS & INFORMATION**

- 1 The Cricket tournament will be held on **13, 14 and 15 January**, and the Football tournament will be held on **16 and 19 January**. Both the tournaments will be held at the Yuva Samity Club grounds in Belur, located close to the jetty ghat. The Badminton, Table Tennis and Carom tournaments will be held on **17 and 18 January**, inside the MCKV school premises.
- 2 **All Cricket and Football teams have been divided into four groups.** In each group there are teams from the same year, from all streams. There will be five rounds, the fifth one being the final match of the tournaments. **For the first two rounds, no team will face teams from other years.** And we are not publishing the fixtures of the third and fourth rounds right now. This means a team from first year will play teams only from the first year for the first two rounds. And the victorious teams from the second round will not know which teams they will play from the third round onwards. The third round will be the one in which a team from a particular year will play another from some other year, for the first time in the tournament. These steps have been taken for the first time ever, to ensure that senior and junior students from participating teams cannot influence each others in any way, and the tournaments can be conducted in the most free and fair manner, just as they should be. These steps will also bring out the best teams from our students. We sincerely hope that our students will not only understand and appreciate our endeavour, but also actively help us to make the Annual Sports a truly successful event. We strongly believe that the cricket pitch or the football ground are not the places for friendship, enmity, brotherhood, sympathy, mercy or mutual understanding and secret pacts between participating teams.
- 3 **No third or fourth year teams will have their matches on 13 January. Therefore, on 13th, first and second year teams will complete their first and second rounds** of the tournament. On 14<sup>th</sup>, third and fourth year teams will complete their first and second rounds. On 15 January we will have the matches of the third round, the semi final and the final. The Cricket matches of the first two rounds will be of four overs each side. For the next rounds, the Committee will take decisions about the duration of the matches, considering the time factor.
- 4 **The first Cricket and Football matches will begin at 9 AM every day.** The committee will wait for ten minutes, and then proceed for the next match of the tournament. At the time of the beginning of any match in the entire tournament, if only one of the announced teams remains present, it will get a walkover and move to the next round. If no teams are present when they are called for a match, both of them will be disqualified from the tournament. **On every single day of the two tournaments, six teams of the first three matches (kindly consult the fixtures) must report at 9 AM.**
- 5 Each half of the Football matches in the first round will be of ten minutes, with a break of five minutes. For the next rounds, the Committee will take decisions about the duration of the matches, considering the time factor.
- 6 The “best loser” team, wherever applicable will be decided only through a lottery. The committee will not consider runs, wickets, run rates, run differences, goal differences or any such thing.
- 7 The decisions of the Committee members, match officials, umpires and referees would be final. Any action by a player or a team, disrupting sporting activities, peace or discipline on the grounds will be seriously and severely dealt with.
- 8 **On 13, 14, 15, 16 and 19 January, the Yuva Samity grounds will be treated as a part of our college’s campus. Ragging therefore will be a punishable offence on the ground.**
- 9 It is mandatory for all players to carry their college identity cards to the ground. They may be required to produce their cards any time during the tournaments.
- 10 We will carry the team lists with us. As announced earlier, no team will be allowed to play anyone whose name will not be on the previously submitted team list.
