

INDUSTRY - INSTITUTE PARTNERSHIP TO PREPARE INDUSTRY READY ENGINEERS

MCKV INSTITUTE OF ENGINEERING and CONFEDERATION OF INDIAN INDUSTRY (CII) ER has signed a Memorandum of Understanding (MOU) on 15th April, 2016 with an objective to create a CII ER Education Excellence Forum, a Industry Academia Interaction Platform towards providing comprehensive hold up, facilitate and arrange Institute-Industry interaction, student and faculty development programmes.

The Key Features of the Scheme:

- Industry captains to address Students and faculty at Institute premises.
- Interactive learning session with Production Head of Manufacturing Concerns on mutually decided topics- addressing Students and faculty at Institute premises.
- Interactive learning session for Computer Science Students on SMAC at Institute premises.
- Session on interview preparation for 3rd year/ 4th year Students.
- Factory/ Site visits of students & faculty to get practical knowledge of operations.

So far two Industry Captains interacted with our students and faculty members, details of which are as follows –

"Skills Expected from Future Engineers and How to be Future Leaders of Industry",
by Mr. Anil Vaswani, CII West Bengal State Chairman and Managing Director,
Wesman Engineering (28.04.2016).

"Futuristic opportunities as Data Analyst, Digital Marketers, Product Managers,
Retail Planners", **by Mr. Arijit Chakraborti Executive Director, Pricewater House**
Coopers Private Limited (16.05.2016).

Faculty Co-ordinator: Dr. Ranjib Biswas, ME Department (Mob:9830086991)

Further programmes are planned to be conducted after the Summer Break.
