Message from President :

Hello my dear Rotaractors,

I have been blessed with good health and a great family with an awesome education that allowed me to be a part of this wonderful Rotaract Club which gave me an opportunity to work with like-minded people. Rotaract has a history of fighting against diseases, hunger, illiteracy, socio-economic injustice. It has allowed me to invest my time on the people dealing with the above.

I believe that we cannot solve every problems in the world with money but we can teach them how to overcome their problems with proper skill sets. Some of the sufferers need Love and utmost care. It will eventually improve their place in life.

I have been a part of this club since 2017, and I would like to express myself with the bottom of my heart that how grateful I am to be a part of Rotaract. It really have change many people's lives along with mine. Love to all!!

Keep Rotaracting!

Yours-In-Rotaract

Rtr. Harshita Sharma
President
Rotaract Club of MCKVIE

Message from Secretary :

I am an active member of Rotaract club of MCKVIE since 2018 & served at different positions. It is indeed an honor for me to be selected as the Secretary of the most distinguished and happening club of RI District: 3219.

As we start with the new Rota Year, My request to all Rotary & Rotaract family members to recall the reasons you first joined this club. There must be common answers from everyone. Either you have joined for fellowship or to engage yourself in community service. Whatever reason you might have had that time, Each Rotarian shares a deep commitment to 'Service above Self.'

In short: let's get it done! This is the time to deliver! THIS is the place to commit. And yes there are many things to do in society. But it is up to us to prioritize them and work on them. Working together, our club can leave a meaningful mark this Rota year.
